Only Four
Weeks Away

Advance Easter Display

The earliness of Easter this year leads us to forcibly remind you that your Easter needs should be supplied at once and here. The coming week we make an advance display of garments and accessories especially suitable for Easter. This will be by far the most complete showing of ready-to-wear garments and dress accessories to be seen in El Paso. It is impossible to describe in detail what comprises the showing but we believe the following brief outline will give you a fair idea.

In tailored suits the white serges and white striped effects will find favor, and these will be shown next week in an unusually large range of styles. Suits of panamas, wide wales and French serges will be found in the advance Easter display in black and all the spring colors in plain and shadow stripes; all the new coat lengths, satin lined, some with inlaid fancy satin collar. In addition to wool suits, a particularly attractive display will be made next week of linen coat suits.

In Silk Dresses the showing comprises pongee, taffeta and rajah as well as chiffon dresses. These are seen in the new one-piece styles as well as the celebrated two-piece Russian Romanoff style, which is proving one of the most acceptable of the season.

Lingerie and Linen Dresses bear a most important part in the Easter display. Styles were never so beautiful, and our showing was never so complete.

Costumes and Coats, especially adapted for evening and dress occasions, are not to be overlooked. In addition to the silks and light weight woollens, special attention is called to a line of hand embroidered white linen two-piece dresses, which are by far the handsomest garments ever shown locally.

Separate skirts, for both dress and street wear, will be especially displayed next week. White serge skirts, for wear with dainty lingerie waists, are also specially featured.

The Waist Section! Mere words fail to convey an idea of what this section contains this season. In fact, the waist display alone is well worth a visit here.

Dress accessories. The displays of Neckwear, Gloves, Hose, Veils and Veiling, Belts, Bags and Jewelry are in keeping with the garment displays.

\$25.00 Silk Dresses

\$19.50

Our success the past week in demonstrating to customers that here they can secure stylish tailored suits of quality at a nominal price has induced us to make a similar offer on Silk Dresses. Monday we place on sale 100 silk dresses in the season's best styles. They comprise one-piece silk dresses made of plain and shepherd checked taffeta, also changeable shades. They are braided and tucked, self strapped and ornamented with buttons; some have lace yoke and deep lace cuffs. In addition, numerous two-piece styles are shown in pongee and rajah—including the Russian Romanoff long-coated and brass-button-trimmed style. Values are up to \$25.00; Easter Introductory

LAS CRUCES AND MESILLA VALLEY

PROTECTION FOR HOMESTEADERS OF TERRITORY

New Law Granting Leaves of Absence Received at Las Cruces Office.

Las Cruces, N. M., Feb. 26.—The United States land office at Las Cruces was today officially advised by the general land office at Washington of the law passed by congress Jan. 28, 1910, which affects in an important way all homesteaders in New Mexico.

This law, which is applicable only in the states of North Dakota, South Dakota, Idaho, Minnesota, Montana, Nebraska, Colorado, Wyoming and New Mexico, provides:

(a) All homestead entries or settlers are granted a leave of absence for three months beginning Jan. 28, 1910, to establish residence on their claims.

(b) All homestead entries or settlers who made application to enter after June 1, 1909, are allowed until May 15, 1910, to establish residence on their claims.

(c) All declaratory statements after June 1, 1909, are given until May 15, 1910, in which to make homestead application and establish residence on the land.

(d) It is especially provided that the law will not be held to defeat the adverse claim of anyone making entry over a soldier's declaratory statement who prior to Jan. 28, 1910, had established bona fide residence on the land entered.

(e) It is also especially provided in this law that the period of commutation or of actual residence under the homestead law, shall not be shortened. Entryman who have taken advantage of this extension cannot submit commutation proof until they have maintained substantially continuous residence for 14 months from the date residence was established; and to make five year proof on a homestead entry, entryman cannot claim credit for constructive residence for more than the usual six months prior to the date actual residence was established. This means that any entryman who take advantage of the three months' leave of absence granted under this law, cannot claim credit for residence during the time they are absent under such leave. The period of their absence being eliminated from consideration in cases of both final and commutation proof.

While the instructions received by the local land office in regard to this law do not contain a complete interpretation of the law, the register and receiver are of the opinion and will hold that no contest affidavits against a homestead entryman where the charge is abandonment can be brought or filed during the period beginning Jan. 28, 1910, and ending Oct. 28, 1910, which covers nine months. As a contest cannot be brought against a homestead entryman who is absent from his claim under a leave of absence, or until six months after the expiration of the leave of absence, this will make it Oct. 28, 1910, before any new contest against homestead entryman can be brought in the territory of New Mexico on a charge of abandonment.

LAS CRUCES HAS NO CITY MARSHAL

Resignation Is Given to the Town Board and Is Accepted.

Las Cruces, N. M., Feb. 26.—The town board of Las Cruces has accepted the resignation of marshal Ramon T. Nevarres. The marshal's place has not as yet been filled, but several applications are being considered.

The report of the committee of 20 citizens which had been appointed during the closing months of last year to report on the water and light systems for the city was presented to the board and the committee discharged.

The board decided to buy the office furniture and fixtures of former clerk Fry for its future use.

LAS CRUCES DAILY RECORD.

Las Cruces, N. M., Feb. 26.—The following deeds and other papers of record have been filed with the recorder of Dona Ana county:

J. T. Miller to C. H. Young, warranty deed to lots 49 and 50, in block 29 of Miller's Washington Park addition; consideration \$1 and other valuables. Dated February 16, 1910.

L. H. Vandewert to Clarence T. Johnson, warranty deed to lots 22 and 23, in block 22 of Miller's Washington Park addition; consideration \$1 and other valuables. Dated February 16, 1910.

LAS CRUCES PERSONALS.

Las Cruces, N. M., Feb. 26.—A. R. Heinman, of the Mesilla Valley Produce exchange, went down to El Paso this forenoon on business for the exchange.

Mrs. Mark B. Thompson is in El Paso today shopping.

M. Blumenkranz went down to the city this forenoon.

A. S. Barnett, proprietor of the Don Bernardo, is in El Paso today.

Dr. A. H. Vaughan went down to El Paso this forenoon.

EL PASO HAS FIRST CLASS EYE, EAR, NOSE AND THROAT HOSPITAL

No Longer Necessary to Send Patients to the East. A Big Boon for the Entire Southwest.

As the geographical center of the southwest, El Paso is an ideal location for a hospital for the care of cases requiring special attention. The same before any new contest against homestead entryman can be brought in the territory of New Mexico on a charge of abandonment.

Physicians interested in the special fields of medicine, realizing the need for a hospital in El Paso for the treatment of special diseases of the eye, ear, nose and throat, have supplied this need by erecting and equipping just such a hospital on the corner of Stanton and Wyoming streets. This institution, the only one of its kind in the entire southwest, has been filled since it was thrown open to the public which is the best proof that there is an urgent need for a special hospital.

Meets a Need.
Neither Kansas City nor Los Angeles have such a hospital. There is none in Texas. Mexico has none and in the past it has been necessary for patients requiring special hospital advantages to make long, fatiguing journeys to the east to obtain relief. This hospital is fitted with every appliance needed by eye and ear specialists in treating diseases or injuries of the peculiar kind for which the hospital was established. It is sanitary throughout, the building is as completely equipped as any to be found in Chicago or New York.

All Appliances on Hand.
Electrical machines for the treatment of cases requiring the application of electricity. X-ray machines, magnets for the removal of particles of steel from the eye, high candlepower electric lamps for the application locally of light and heat in alleviating pain, a modern operating and complete laboratory are a few of the accessories included in the eye and ear hospital. From the home like reception hall to the private rooms and general ward of the hospital is as complete as sanitary construction can make it.

Not Necessary to Go Away.
It is no longer necessary for persons requiring special treatment to pass through El Paso and go to the east for this treatment. This institution was located in El Paso, not for the convenience of El Paso alone, but for the accommodation of cases from all parts of the southwest including the republic.

He of Mexico which has no similar institution.

Given Hearty Support.

In order to have such a hospital established in this section, the majority of the railroad, mining, companies, smelters, foundries and other similar institutions pledged their support to the institution, and their influence in making it a success. The response which the hospital has met with has shown the need for such an institution. To have it located here means one more unit in the greatness of El Paso, for it brings the people of the southwest in closer touch with this city by supplying one of their most necessary needs.

Ranger Recovers.

The friends of Capt. Henry Warren, former Texas ranger, and known throughout Texas as a peace officer of the ranger days, are pleased to learn that he has completely recovered his sight in both eyes which he lost from cataracts. Since the operation for the removal of the cataracts, Capt. Warren has been at the Carpenter eye and ear hospital.

ANTI-PROHIBITIONISTS OF GRAYSON ARE FIGHTING

Sherman, Tex., Feb. 26.—The anti-prohibitionists of Grayson county today presented a petition to the commissioner's court requesting an election to determine whether the county should permit the sale of intoxicating liquors. The date set for the election is March 19.

T. & P. TRAIN WRECKED AND PASSENGERS SHAKEN

Weatherford, Tex., Feb. 26.—The Texas & Pacific tracks are clear today following the wreck of a passenger train near Annetta last night, when six coaches were derailed. The passengers were brought to this city in automobiles after midnight. They were badly shaken but none seriously injured.

Sulphur—The Best Skin Remedy

There is no drug or medicine that has been used for skin diseases as long as Sulphur. The trouble has been that sulphur in crude or powder form cannot be readily applied to the germ that causes Eczema, Tetter, Acne, Hives, Barber's Itch and the many other skin diseases. Little's Liquid Sulphur Compound overcomes this difficulty, being liquid, and if applied with soft brush reaches the seat of the trouble at once killing the germs and giving instant relief to intense itching caused by skin disorders. A few applications according to directions will cure any skin disease, no matter of what character. Send 10c for sample bottle. Rhuma-Sulphur Co., St. Louis, Mo. 5

PROMINENT MEN TO BE SPEAKERS

Will Fill El Paso Pulpits for
the Laymen's Mission
Movement.

"You have as choice speakers as any convention ever had," declared Rev. D. Clay Lilly, in charge of the Laymen's Missionary movement in this city. Beyond all expectations is the representation of missionaries congregated in this city for the opening of the convention with the banquet at the St. Regis tonight. More practical men from the field of missionary action have come than officials.

Speakers will be exchanged at the two mass meetings at 7:30 o'clock Sunday night. This will afford those attending both the First Baptist and the church of St. Clement's a chance to hear the same speakers.

Following is the list of churches and the men who will speak in each at the morning services tomorrow:

First Baptist—Rev. J. P. Williams.
Calvary Baptist—Rev. H. G. Romig.
Highland Park Baptist—George McDill.

First Christian—Rev. J. P. McNaughton.
Church of St. Clement's, Episcopal—

Rev. W. R. Hotchkiss.
First Methodist Episcopal—Dr. C. F. Reid.
Trinity Methodist Episcopal—C. H. Pratt.

Highland Park Methodist Episcopal—W. G. Coxhead.
First Presbyterian—Dr. D. Clay Lilly.
The First Congregational and the Westminster Presbyterian congregations will join in meetings at two other churches.

BRYAN NOT A CANDIDATE FOR PRESIDENCY

Somebody Has Got a Cable Crossed With a Joke Down South American Way, No Doubt.

New York, N. Y., Feb. 26.—A cable dispatch from Valparaiso, Chile, says that he is not a candidate for the nomination of the presidency of the United States. Mr. Bryan, stated, according to the dispatch that he "neither desired nor intended to be again a candidate for the presidency."
